Problems of the Day

Day 27

1 A school makes 50 sandwiches each day.

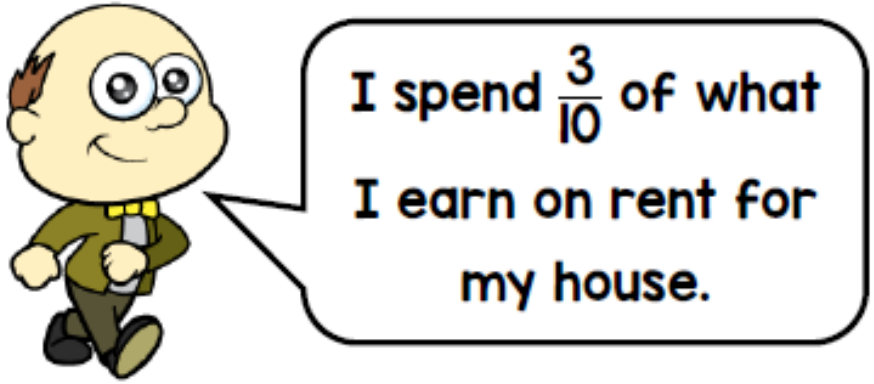

The table shows the number of sandwiches sold each day last week.

Day	Number of sandwiches sold
Monday	20
Tuesday	32
Wednesday	47
Thursday	18
Friday	39

How many sandwiches in total were not sold last week?

94 sandwiches were not sold last week.

2 Tony earns £600 a week.

He spends 20% of the amount remaining on a new coat.

How much money does the coat cost?

The coat costs £84
